Rubicon Realty Group LLC was founded in 2009 as a full-service commercial real estate company providing a diverse range of services to its clients through the entire real estate cycle. Each of Rubicon Realty Group principals has been associated with high-profile brokerages and developers such as Trammell Crow Company, Wulfe & Co., CB/Richard Ellis, RKF, and Sugarland Properties. These affiliations have provided profitable, long-term relationships and have established many more with other developers, brokers, and lenders.

## **We provide the following services:**

### **PROPERTY LEASING & TENANT REPRESENTATION**

We are well-versed at structuring triple net, ground, gross/modified gross, and percentage lease deals. We work with both national and local clients, including big-box retailers, grocery stores, hotels, restaurants, banks, franchises, and small business owners looking to make their mark in Texas. Our agents are active members of the International Council of Shopping Centers (ICSC) and participate in ICSC, Austin Retail Live, CCIM and other networking events to bring the latest industry updates to our clients. We utilize all major marketing platforms such as Loopnet, Costar, City-Feet, Showcase, Komreal, and more.

### **LAND SALES**

Rubicon Realty is a part of the small pool of brokers specializing in commercial land sales, both improved and unimproved. Our clients benefit from our knowledge of the land development process and all the moving parts it involves.

### **INVESTMENT SALES**

We help our clients underwrite and sell their commercial properties. We also assist with finding, analyzing, and purchasing commercial assets for whatever their objectives are: cash flow, value-add, redevelopment, or long term appreciation.

### **PROPERTY MANAGEMENT**

Our property management arm takes the frustration and challenges property owners have to deal with when owning their real estate. We provide lease administration, maintenance coordination, rent collection, accounting, expense reconciliation, vendor bidding, and qualification services. Property owners are able to set their own limits of involvement and expense amounts requiring their prior approval.

### Information About Brokerage Services

Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

11-2-2015

#### TYPES OF REAL ESTATE LICENSE HOLDERS:

- ◆ A **BROKER** is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- ◆ A **SALES AGENT** must be sponsored by a broker and works with clients on behalf of the broker.

#### A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

- ◆ Put the interests of the client above all others, including the broker's own interests;
- ◆ Inform the client of any material information about the property or transaction received by the broker;
- ◆ Answer the client's questions and present any offer to or counter-offer from the client; and
- ◆ Treat all parties to a real estate transaction honestly and fairly.

#### A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

**AS AGENT FOR OWNER (SELLER/LANDLORD):** The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent.

**AS AGENT FOR BUYER/TENANT:** The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent.

**AS AGENT FOR BOTH - INTERMEDIARY:** To act as an intermediary between the parties the broker must first obtain the written agreement of each party to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- ◆ Must treat all parties to the transaction impartially and fairly;
- ◆ May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
- ◆ Must not, unless specifically authorized in writing to do so by the party, disclose:
  - ◆ that the owner will accept a price less than the written asking price;
  - ◆ that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
  - ◆ any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

**AS SUBAGENT:** A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

#### TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

- ◆ The broker's duties and responsibilities to you, and your obligations under the representation agreement.
- ◆ Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

**LICENSE HOLDER CONTACT INFORMATION:** This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records prospective buyers, tenants, sellers and landlords.
